

## NICOLETTE'S ALL INCLUSIVE FEE STRUCTURE

### Our Preschool

Nicolette Childcare and Preschool is a modern early learning center that adopts an integrated pre-school education system based on the differentiated approach of learning facilitated through the Joly Phonics and LEGO learning models.

### Our Daycare and Play Group

Our precisely designed play group space is furnished with creative play and learning materials suitable for 8months to 3 year olds supported by our child development program. Yes, we do not only keep and play with our children but support their development.

### Our Home

A home away from home offering five star services ranging from accommodation, hospitality, comfort, hygiene, meals and security.
